

2007 HIV Update

This program is an overview of the pathophysiology, diagnosis, and treatment of HIV.

Educational Objectives

At the conclusion of the program, participants will be able to:

- Understand the rational design of highly active antiretroviral therapy (HAART)
- Anticipate, identify, and manage adverse effects of antiretroviral drugs
- Recognize potential for drug interactions in patients with HIV and recommend appropriate management strategies
- Identify appropriate strategies to promote adherence in patients with HIV

Accreditation

TG Medical Education, LLC is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing education and complies with the Criteria for continuing pharmacy education programming. This program provides 1.0 hour (0.1 CEU) of continuing pharmacy education credit (ACPE Universal Program Number 454-999-06-002-H01). The original program release date is April 3, 2007.

Statement of Credit

Following the successful completion of this course and post-test, participants will receive their Statement of Credit, which is available for printing. TG Medical Education does not mail Statements of Credit for its online content. Prior to completing the online program, please make sure that your computer is hooked-up to a working printer.

Intended Audience

This educational activity is intended for pharmacists who care for patients with HIV.

Support

This program is supported by an educational grant from Roche Pharmaceuticals. There is no fee for this program.

Program Faculty

- **Faculty Disclosure Statement** In accordance with the Accreditation Council for Pharmacy Education (ACPE) Criteria for Quality and Interpretive Guidelines, TG Medical Education requires that faculty members disclose any relationship (e.g., shareholder, recipient of research grant, consultant, or member of an advisory committee) that the faculty may have with commercial companies whose products or services may be mentioned in their presentations. The existence of these relationships is provided for the information of participants and should not be assumed to have an adverse impact on faculty presentations.
- **Faculty and Disclosure Information** Margarita DiVall, PharmD, BCPS—Associate Clinical Specialist, Northeastern University, Boston, MA.
 - No Financial Disclosures
 - Does not plan to discuss unlabeled/investigational uses of a commercial product.
